Explanatory Note

This note is not part of the rules, but is intended to indicate their general effect.

These rules, which come into force on 30 January 2025, are the Customs (Advance Notice of Arrival) Rules 2024. They replace the Customs (Advance Notice of Arrival Rules) 2018 (the **Former Rules**).

These rules prescribe the way in which advance notices of arrival are provided under section 12(1) of the Customs and Excise Act 2018 (the **Act**). These may be provided as follows:

- For aircraft, in electronic data format UNEdifact PaxLST to TSW in accordance with *rule 2.1*, and with information specified in *Schedule 1* of these rules:
- For sea craft (excluding small craft), in accordance with *rule 2.2* and with information specified in *Schedule 2* of these rules:
- For small craft, in accordance with *rule 2.3* and with information specified in *Schedule 3* of these rules.

These rules do not substantially alter the effect of the Former Rules, but instead modernise the drafting and structure of them. However, Schedule 2 of the rules contain substantive changes to reflect business changes and updates to the form administered by this schedule.

Reliance of section 53 of the Legislation Act 2019

These rules are made under section 12(1) and 421(1) of the Act, as extended by section 53(2)(c) of the Legislation Act 2019. Section 53(2) of the Legislation Act 2019 provides that a power in legislation to approve or prescribe a form includes a power to authorise a prescribed person to approve or prescribe a form or medium for supplying information or making information available.

Rule 2.4 therefore provides for the Chief Executive of the New Zealand Customs Service to approve the form or medium in which the information set out in Schedules 2 and 3 of these rules must be provided to Customs.

This is consistent with section 53(2) of the Legislation Act 2019, which provides that a power in legislation to prescribe a form includes a power to authorise a prescribed person to approve or prescribe a form or medium for supplying information or making information available.

These rules are secondary legislation, under the Legislation Act 2019. They are published on the New Zealand Customs Service's website: www.customs.govt.nz.

These rules are administered by the New Zealand Customs Service.

Date of notification in the *Gazette*: 13 December 2024.
